

Michigan Medicine COVID-19 Vaccine Clinic North Campus Research Complex (NCRC) – Building 200

1600 Huron Parkway, Ann Arbor, MI 48109

Our vaccine clinic at the North Campus Research Complex is located inside **Building 200**, which is on the east side of Huron Parkway. You can enter off of Huron Parkway or Plymouth Road. The closest bus stop is Route 23 – Plymouth Mall.

Free reserved parking is designated next to Building 200 in Lot NC82 and Lot NC83. ADA parking is included in front of Building 200.

You will enter Building 200 through the north entrance, which faces Plymouth Road. A greeter will be there to direct you to the appropriate vaccination area.
