**Study Sections**

### Federal Advisory Boards

#### Neil B. Alexander, MD
- Merit Review Committee, Department of Veterans Affairs Aging and Cellular Geriatrics
- Extramural Repayment Program Annual Review, National Institute on Aging
- Claude Pepper Center Review Committee, National Institute on Aging

#### Douglas A. Arenberg, MD
- Research Award Study Section, American Lung Association

#### Peter Arvan, MD, PhD
- Study Section, Molecular and Cellular Endocrinology, National Institutes of Health

#### James R. Baker Jr, MD
- Special Emphasis Review Panel, Nanotechnology Study Section, Center for Scientific Review, National Institutes of Health
- Scientific Peer Review Team, U.S. Department of Homeland Security (DHS)
- Scientific Review Follow-up, DHS

#### Laurence H. Baker, DO
- Scientific Review Board, National Gene Vector Laboratories, National Institutes of Health

#### Caroline S. Blaum, MD
- Ad hoc member, Study Section on Inflammation and Aging, National Institutes of Health

#### Douglas W. Blayney, MD
- Data and Safety Monitoring Board, Cancer and Leukemia Group B, National Cancer Institute

#### Suzanne F. Bradley, MD
- Ad hoc member, VA Infectious Diseases B Merit Review Subcommittee
- Peer Reviewer, Healthcare Infection Control Practices Advisory Committee “Guideline for Isolation Precautions: Preventing Transmission of Infectious Agents in Health-Care Settings”, Centers for Disease Control and Prevention, National Center for Infectious Diseases, Division of Healthcare Quality Promotions
- Veterans Health Administration Nursing Home Infection Surveillance Taskforce, Office of the Medical Inspector

#### Dean E. Brenner, MD
- Consultant, Gastroenterology and Urology Devices Advisory Panel, U.S. Food and Drug Administration
- Chair, Clinical Oncology Study Section, National Institutes of Heath

#### Charles F. Burant, MD, PhD
- Integrative Physiology of Obesity and Diabetes Study Section, National Institutes of Heath

#### Yuqing Eugene Chen, MD, PhD
- Postdoctoral Fellow, AHA, Lipoproteins, Lipid Metabolism and Nutrition

#### William Chey, MD
- Data and Safety Monitoring Board, NIH Study, “Antidepressant Therapy for Functional Dyspepsia”

#### Daniel J. Clauw, MD
- Advisory Committee on Pain and Symptom Management, State of Michigan
- Research Advisory Committee on Gulf War Veterans’ Illnesses, Department of Veterans Affairs

#### Michael J. Coffey, MB BCH
- Specialized Centers of Clinical Research (SCCOR) in Chronic Obstructive Pulmonary Disease, National Institutes of Health

#### Kathleen L. Collins, MD, PhD
- AIDS Immunology and Pathogenesis Study Section, National Institutes of Health

#### Hari Conjeevaram, MBBS
- Silvio O. Conte Comprehensive Cancer Research Core Centers Study Section, National Institutes of Health

#### Kathleen A. Cooney, MD
- Committee to Assess the Potential Health Effects from Exposures to PAVE PAWS Low-Level Phased Array Radar/Energy, National Academy of Sciences
- Grants Selection Committee, American Society of Clinical Oncology

#### Daniel T. Eitzman, MD
- Working Group on Mechanistic Pre-clinical Studies of Diabetic Macrovacular Complications

#### Dorraya El-Ashry, PhD
- Army Breast and Prostate Cancer Research Initiative Grant Review Study Sections, Department of Defense

#### William D. Ensminger, MD, PhD
- Committee on Pharmacology and New Agents, Southwest Oncology Group

#### Angela Fagerlin, PhD
- Special review section for R21 exploratory grants, National Cancer Institute Cancer Information Service

#### A. Mark Fendrick, MD
- Health Services Organization and Delivery Study Section, National Institutes of Health
- Special Emphasis Panel, National Institute of Diabetes & Digestive & Kidney Diseases

#### Kevin R. Flaherty, MD, MS
- Scientific Review Committee for the Rare Diseases Clinical Research Network, National Institutes of Health

#### David A. Fox, MD
- Study Section, National Institute of Arthritis and Musculoskeletal and Skin Diseases Special Emphasis Panels, National Institutes of Health
- Study Section, National Institute of Allergy and Infectious Diseases Special Emphasis Panel, National Institutes of Health

#### Steven E. Gay, MD, MS
- Scientific Review Committee for the Rare Diseases Clinical Research Network, National Institutes of Health

#### David Ginsburg, MD
- Board of Scientific Counsellors, National Center for Biotechnology Information, National Library of Medicine (NLM)
- External Advisory Board for the NIH Specialized Center for Clinical Research Grant “Molecular Basis of Coronary Artery Disease”, Cleveland Clinic
- Co-Chair, Level I Working Group on Diagnosis and Treatment of Thrombotic Disorders, National Heart, Lung, Blood Institute

#### Scott D. Gitlin, MD
- Scientific Advisory Committee, The Virginia G. Piper Charitable Trust I
- Scientific Advisory Council, Doris Duke Charitable Foundation Medical Research Program
- Chair, Board of Scientific Counsellors, National Center for Biotechnology Information, NLM

#### Steven Gruber, MD, PhD, MPH
- Epidemiology of Cancer Study Section, National Institutes of Health
- Chair, Colorectal Family Registry Advisory Panel, National Cancer Institute

#### Jun-Lin Guan, PhD
- Cell Structure and Function Study Section, National Institutes of Health

#### Margaret R. Gyetko, MD
- Research Committee Review, American Lung Association
- Ad hoc Reviewer, Merit Review Board for Respiratory, Department of Veterans Affairs Merit Review Grants

#### Richard Harris, PhD
- Career Development Award Study Section, National Institutes of Health/National Center for Complementary and Alternative Medicine

#### Sarah T. Hawley, MPH, PhD
- Health of the Population Integrated Review Group Study Section, National Institutes of Health

#### Daniel F. Hayes, MD
- Cancer Biomarkers Study Section, National Cancer Institute

#### Joseph Holoshitz, MD
- MS Rheumatology and Dermatology Special Emphasis Study Section National Institutes of Health

#### Gary B. Huffnagle, PhD
- Chair, Conflict Special Emphasis Study Section Review Committee, National Institutes of Health

#### Carol A. Kauffman, MD
- Anti-infective Drugs Advisory Committee, Food and Drug Administration
- Review Committee on National Cancer Institute Pediatric Oncology Branch

#### Eve A. Kerr, MD, MPH
- VA HSR&D Scientific Review and Evaluation Board, subcommittee for Career Development Award Applications
- Operation Healthier US Veterans Evaluation Subcommittee

#### Catherine Kim, MD, MPH
- Gestational Diabetes Panel, Centers for Disease Control and Prevention, National Institutes of Health

#### Alisa E. Koch, MD
- Abbott Scholar in Rheumatology Research Review Panel
- Vice Chair, Inflammation Study Section, National Arthritis Foundation
- United States Section Head for the Inflammatory Arthritis Section of the Rheumatology and Clinical Immunology Faculty, Faculty of 1000 Medicine
- Medical and Scientific Committee, Arthritis Foundation Michigan Chapter
- National Meeting Abstract Review Committee Chair; RA-human etiology and pathogenesis American College of Rheumatology

#### Ronald J. Koenig, MD, PhD
- Molecular Endocrinology Special Emphasis Panel, National Institutes of Health

#### Julie A. Kovach, MD
- Ad hoc Hemostasis and Thrombosis Study Section, National Institutes of Health

#### Sarah Krein, PhD, RN
- Ad hoc member, General Health Services Scientific Merit Review Board, Department of Veterans Affairs

#### Kenneth M. Langa, MD, PhD
- Behavioral and Social Science of Aging Study Section, National Institute on Aging, National Institutes of Health
- Surveillance Work Group, National Public Health Action Plan to Promote and Protect Brain Health, Centers for Disease Control and Prevention

#### John E. Levine, MD, MS
- Bone Marrow Transplant Common Data Elements Committee, National Cancer Institute Center for Bioinformatics
Study Sections

Federal Advisory Boards

Anna Lok, MBBS
Reviewer, NIDDK and NIAID Loan Repayment Program
US Delegate, Hepatitis Panel, US-Japan Medical Sciences Cooperative Program

Benjamin L. Margolis, MD
Permanent Member, Cellular and Molecular Biology of the Kidney Study Section, National Institutes of Health

Sofia D. Merajer, MD, PhD
National Institutes of Health Study Section, ES 03-002, NIH
Breast Biopsy Study Section, California Breast Cancer Program

William J. McCune, MD
Chair, Medical Advisory Board, Michigan Lupus Foundation

Juanita Merchant, MD, PhD
Advisory Council, National Institute for Diabetes and Digestive Kidney Diseases

Bethany B. Moore, PhD
Mentored Scientist Special Emphasis Panel (F31/ F32), National Heart, Lung and Blood Institute Review Branch

Susan Murphy, ScD, OTR
American Rheumatology Health Professionals Study Section, American College of Rheumatology

Brahmaje K. Nallamothu, MD
Reviewer, The Focused Update of the American College of Cardiology/American Heart Association 2004 Guidelines on the Management of Patients with ST-Elevation Myocardial Infarction

Akinlolu O. Ojo, MD, PhD
Clinical Research Review Committee, National Center for Research Resources, National Institutes of Health
Grant Review Committee, American Society of Nephrology Study Section, USRDS Grant Review
Executive Advisory Committee, United States Renal Data System

Subramaniam Pennathur, MBBS, BSc
Permanent Member, Complications Study Section, Juvenile Diabetes Research Foundation

Lilli M. Petruzelli, MD, PhD
American Society of Hematology Study Section
American Society of Hematology-European School of Haematology Study Section

Elizabeth Petty, MD
Clinical Research Review Committee, National Center for Research Resources, National Institutes of Health
Ovarian Cancer Research Program, Department of Defense
Cancer Research UK Grants Committee
Burroughs Wellcome Trust

Kenneth J. Pienta, MD
Chair, SPORE Study Section, National Cancer Institute (NCI)
SPORE Study Section Parent Committee, NCI
NCI SPORE Standing Special Emphasis Panel

Massimo T. Pietropaolo, MD
Chair, Special Emphasis Panel Biomarkers of Autoimmunity in Type I Diabetes, National Institutes of Health
Co-Chair, Innovative Grants, Juvenile Diabetes Research Foundation International
Steering Committee Member, TrialNet

David J. Pinsky, MD
Chairman, National Heart Lung and Blood Research Career Development Programs in Vascular Medicine Study Section, National Institutes of Health
Study Section, National Institutes of Health/National Heart Lung and Blood Institute K23/K24/K25

Pavan Reddy, MD
HLA Region Genetics in Immune Mediated Diseases and Immune Function in Immuno-compromised Populations, National Institute of Allergy and Infectious Diseases, National Institutes of Health (NIAID, NIH)
Special Emphasis Panel Study Section on Immune Function and Biodefense in Immuno-compromised Populations (ZAI-PTM-I-CT), NIAID, NIH
Special Emphasis Panel Study Section: Novel mechanisms of Immune Tolerance, NIAID, NIH

Bruce G. Redman, DO
SBIR/STTR Cancer Diagnostic and Treatment Study Section, National Institutes of Health (NIH)
National Advisory Council for Complementary and Alternative Medicines, NIH
Oncologic Drugs Advisory Committee, U.S. Food and Drug Administration

Bruce C. Richardson, MD, PhD
Merit Review Immunology Study Section, Veterans Administration
Cellular Mechanisms in Aging and Development Study Section, National Institutes of Health (NIH)
Lupus Foundation of America Study Section
Special Emphasis Panel 2006/10 ZRG1 MOSS-K, NIH
Mechanism in Immune Disease Trials Study Section, NIH

Blake J. Roessler, MD
Gene Therapy and Inborn Errors Study Section, National Institutes of Health

Allison B. Rosen, MD, ScD
Panel on National Health Accounts, Committee on National Statistics, National Academy of Sciences

James A. Shayman, MD
Polycystic Kidney Disease Clinical Trials Network, Consortium for Radiological Imaging of Polycystic Kidney Disease, National Institutes of Health

Maria Silveira, MD, MA, MPH
Member, Committee on Pain and Symptom Management, State of Michigan

Richard H. Simon, MD
Respiratory Sciences SBIR Study Section, National Institutes of Health

Robert G. Sitrin, MD
Lung Cellular, Molecular, and Immunobiology Study Section, National Institutes of Health

Theodore J. Standiford, MD
Chair, American Lung Association Career Investigator and Research Fellowship Grant Review Committee

Victor J. Thannickal, MD
Lung Cellular and Molecular Immunology Study Section, National Institutes of Health
Research Training Committee, American Lung Association

Andrea Todisco, MD
Loan Repayment Program, National Institute of Diabetes and Digestive and Kidney Diseases, National Institutes of Health

Galen B. Toews, MD
NHLBI Research Training Special Emphasis Study Section, National Institutes of Health (NIH)
Study Section, Oklahoma Center for the Advancement of Science and Technology
Lung Injury, Repair and Remodeling Study Section, NIH

Sandeep Vijan, MD, MSc
Chair, HSR&D Scientific Review and Evaluation Board, Veterans Affairs

Shaomeng Wang, PhD
Special Emphasis Panel, Structural Database and Modeling, National Institutes of Health

David A. Williams, PhD
Chair, Chronic Fatigue Syndrome/Fibromyalgia Syndrome, Temporomandibular Disorders Study Section, Special Emphasis Panel, National Institutes of Health
Reviewer, Dutch Arthritis Association
Reviewer, American Pain Society/American College of Physicians Clinical Practice Guidelines for the Management of Low Back Pain

Dajun Yang, MD, PhD
Experimental Therapeutics-1 Study Section, National Institutes of Health

Raymond L. Young, MD, CHB
American Federation for Aging Research, National Scientific Advisory Council
Arthritis Foundation (Cellular Immunology)
Study Section B, American College of Rheumatology
Beesons K Award Special Emphasis Panel, National Institutes of Health
