

## NOTIFYING MICHIGAN MEDICINE IF YOU HAVE BEEN VACCINATED THROUGH ANOTHER PROVIDER

Michigan Medicine is gathering COVID-19 vaccination status for patients who were vaccinated by a non-Michigan Medicine provider and wish to update their patient record with their vaccination information.

When you log into your MyUofMHealth account, this notification will pop-up on the home screen:

 **Report COVID-19 Vaccination Status**

Did you receive your COVID-19 vaccine at a location other than Michigan Medicine? Fill out a brief questionnaire to let us know. If you have only received one dose (of Pfizer or Moderna) to date, you will need to submit proof of your second dose once you receive it.

[Dismiss](#)

If you dismissed the notification but now wish to updated your status, please follow the below directions:

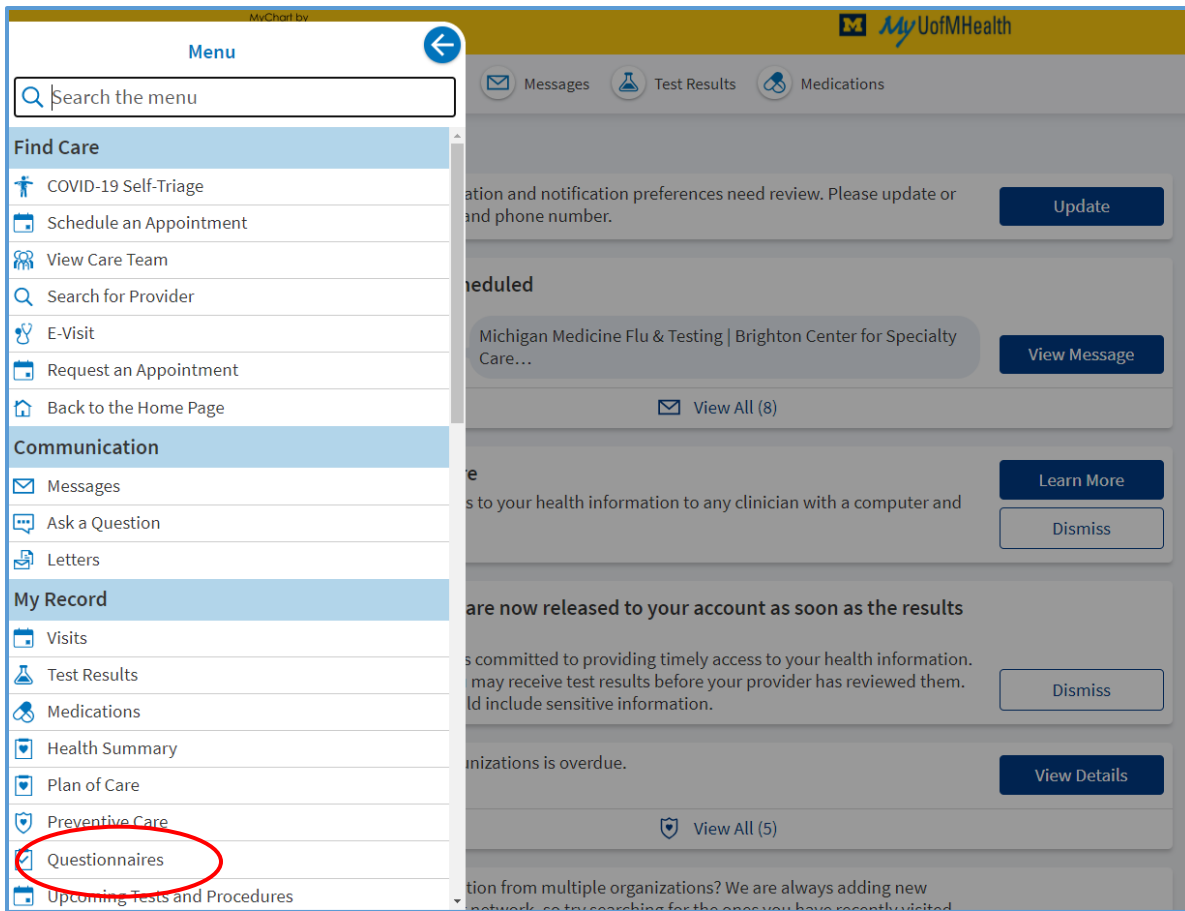

**Step One:** Log into your MyUofMHealth account

**Step Two:** Click on the Menu button at the top of the screen

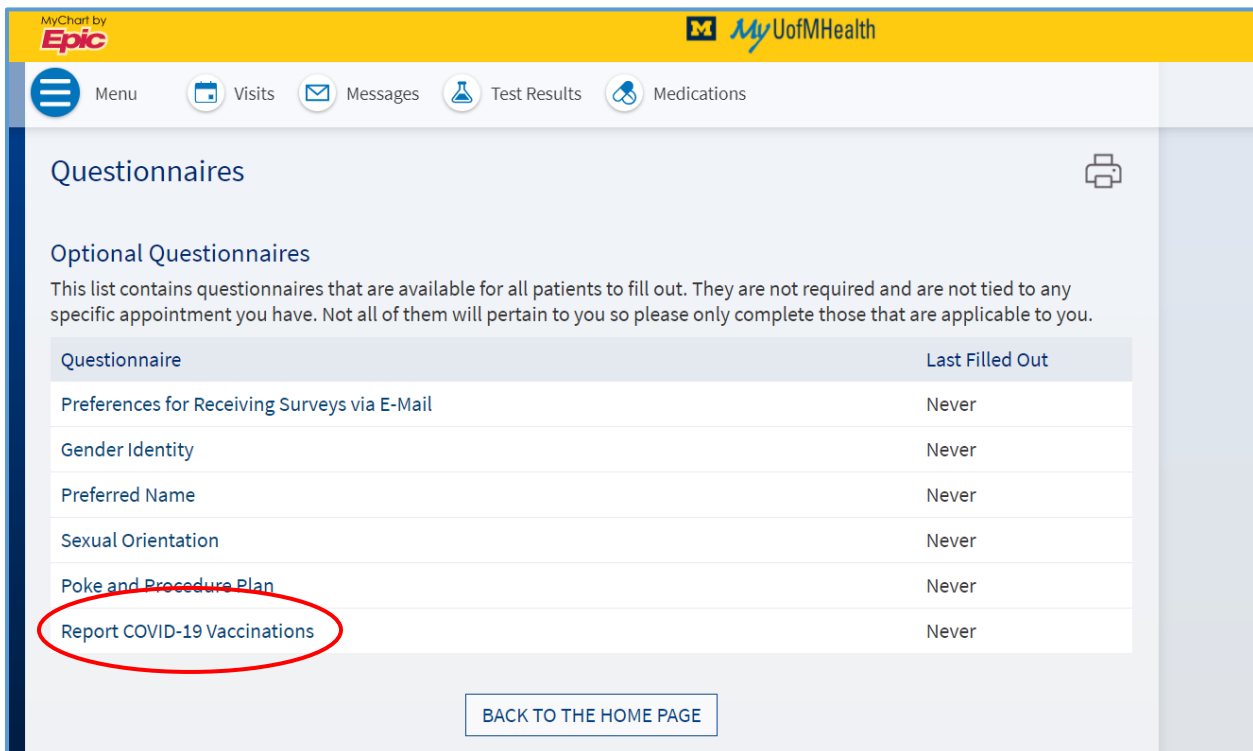

The screenshot shows the MyUofMHealth home screen. The top navigation bar includes "MyChart by Epic", "MyUofMHealth", and "Log Out". Below the navigation bar, there are icons for "Menu", "Visits", "Messages", "Test Results", and "Medications". The "Menu" icon is circled in red. The main content area features a "Welcome!" message, a notification about contact information, an "Appointment Scheduled" message, and a "Share Everywhere" section. On the right side, there is a "Recent Providers" section listing Margaret Reine Punch, MD and Julie Stein Perry, MD.

**Step Three:** Select "Questionnaires" from the drop-down menu

**Step Four:** Select “Report COVID-19 Vaccinations” and complete the questionnaire

**If you are unable to find or complete the portal questionnaire**, you can also send us proof of vaccination as a message to your provider through your MyUofMHealth patient portal account.

1. Log in to your MyUofMHealth patient portal account
2. Click the “Messages” icon
3. Click “Send a Message” on the mobile app or “Ask a Question” on a web browser
4. Select “Medical Advice” on the mobile app, or “Get Medical Advice” on a web browser
5. In the “To” field, select your primary care provider, or the Michigan Medicine provider you see most frequently
6. In the “Subject” field, select “Non-urgent medical question”
7. Attach an image of the documentation, which can be an immunization report from a healthcare organization, a CDC COVID-19 vaccination card, or other official documentation from another state immunization registry
8. In the body of the message, please provide the following (which should also be visible in the photo you attached):
  - Immunization name/product
  - Manufacturer
  - Lot #
  - Date of vaccinations
