

QUALITY Rectal Cancer Care

PROUD TO BE AN **Accredited** RECTAL CANCER PROGRAM.

Honored TO SERVE OUR COMMUNITY.

This center has demonstrated an uncompromising commitment to quality by ensuring patients with rectal cancer receive appropriate care from a team that follows research-supported patient care processes.

facs.org/naprc

WE ARE THE FOREFRONT OF CANCER.
Setting the Standards. Centered on Patients.

- 7800 new patient visits, 12, 800 return visits
