

Supplement to Nair et al..

Localization of Psoriasis Susceptibility Locus PSORS1 to a 60 Kilobase Interval Telomeric to HLA-C.

HLA-Cw6 phenotype frequencies for psoriatic individuals in world populations.

Population	Frequency (%)	Relative Risk	Reference
Brazilians	59	10	Gonzaga et al., 1996
British	47	3.5	Mallon et al., 1997
Chinese	17	19.8	Cao et al., 1993
Danes	47	12.9	Marcusson et al., 1981
Finns	46	11.5	Tiillikainen et al., 1980
Germans	57	5.3	Hohler et al., 1996
Greeks	36	3.3	Economidou et al., 1985
Israelis	25	1.5	Roitberg-Tambur et al., 1994
Italians	33	3.5	Nini at al., 1989
Japanese	8-28	12.7-8.2	Nakagawa at al., 1991; Okhido et al., 1982
Spaniards	18	6.2	Gonzalez et al., 1999
